Malaga Cake

AP30

A layered dream, the famous Malaga cake is a harmonious marriage of rich, velvety sponge and whipped flavoured mousse. Much like tiramisu, the dark chocolate and vanilla blend comfortably with the mix of raspberry and coconut to create a favourable dessert that is ready to serve.

Praline Cube

AP32

This scrumptious cube is made up of moist, delicious layers. Topped and coated with a dark glaze of chocolate ganache, each blanket of sponge boasts a concoction of nutty, caramelised praline and a light mousse. Each bite offers a delicious crunch.

Malibu Cake

AP33

With its layers of luxurious flavour, the Malibu cake is heaven in a single bite. The magic happens where the chocolate and sponge meet the blend of tangy fruit marmalade and sweet, soft cream. Topped with a sprinkling of roasted coconut, this cake is truly delicious.
